■ FINE DINING ITALIAN CUISINE ■

Giardino, the fine dining restaurant near the poolside serves traditional Italian food paired with the finest old and new world wines.

Il cimento dell'armonia e dell'invenzione, which literally translates to "the contest of harmony and invention", has been adopted from composer Vivaldi's masterpiece, the Four Seasons.

Giardino, meaning Garden in Italian is Jaipur's finest contemporary al fresco Ristorante Italia it is. Set by the poolside, in a la piazza setting emulating the scenic countryside of Tuscany.

Giardino, boasts of not only a lively and enjoyable dimension to dining, but also encourages a good appetite, romanced by the gentle breeze rustling amongst the trees and the unique genres of Italian music.

The restaurant emits its own charm with its distinctive fine ambience in the very heart of Jaipur. The raison d'être is merely to transpose the thought of culinary design as our Chefs invent and present with some of the finest Italian ingredients from our la Cucina – Prosciutto di Parma, Parmigiano-Reggiano, Arborio rice and Gorgonzola to name a few, while we harmonize these creations with a beautiful wine.

While the spirit of renaissance classicism pervades our cuisine offerings, the rustic and fun loving setting balances the rigid formalism.
