The "Old Heritage"

Vodka, vanilla liqueur, with a dash of apple juice.

An innovative cocktail prepared out of an infusion with the help of the delicate essence of a beautiful flower, Frangipani that grows at the Taj West End round the year. It is also known as Plumeria or the Temple tree.

The cocktail takes you back to the Colonial times where beauty meets the essence of nature that avidly is found around you.

Sir Ronald's Hot Rum Toddy

Dark rum, spices, honey and hot water.

An enticing colonial cocktail which was Sir Ronald favorite drink, who stayed with us for years- his theories on malaria were washed down over hot rum toddies at our crazy horse bar.

White rum, orange and litchi juice, with a dash of fresh lime.

A very refreshing drink that was the first innovative cocktail made at the blue bar.
