

The background of the entire image is a dense, repeating pattern of various tropical leaves. The leaves are rendered in different shades of green, from light lime to deep forest green, with some showing detailed vein structures. The leaves are scattered across the frame, creating a lush, jungle-like atmosphere.

TROPICS

*As per the guidelines issued by Food safety & Standards Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day. However, the actual calories may vary per person.*
