

## **MULTI-CUISINE ALL DAY DINING**

The very name “The Marble Arch” resonates with the grandeur and rich heritage of this majestic Palace. The historical journey of the Marble Arch originates from being a spacious open living room just located besides the original porch of the Palace to being a contemporary all day dining restaurant.

Marble Arch restaurant gets its name from the elegant marble pillars dated 1745 and archways that grace its interiors. It is a blend of Rajput architecture and Indo Saracenic comprising of its rare white Makrana marble pillars and a contemporary European stylized Café in a Palace setting. The Perlato Sicilia marble coupled with soft cream and yellow tone creates an inviting and warm ambience.

The Marble Arch team takes pride and welcomes you to start your enchanting gastronomic journey in the Palace. It is truly a place to enjoy international specialties in a trendy ambience, comprising a contemporary mix of European, Oriental specialties and Indian delicacies, lending eclectic flavors and plated as the chef says in a “nouvelle” manner. It surely is a winner in today's modern culinary art.
